| Article Name               | FMRF-like Peptide, snail, CAS [[98495-35-3]]                                                            |
| Biozol Catalog Number      | LKT-F4858                                                                                               |
| Supplier Catalog Number    | F4858                                                                                                   |
| Alternative Catalog Number | LKT-F4858-1                                                                                             |
| Manufacturer               | LKT Labs                                                                                                |
| Category                   | Biochemikalien                                                                                          |
| Product Description        | Cardiostimulatory neuropeptide found in Lymnaea, delayed rectifier K <sup>+</sup> channel modulator.... |
| Molecular Weight           | 904.03                                                                                                  |
| Purity                     | 0.98                                                                                                    |
| CAS Number                 | [98495-35-3]                                                                                            |
| Formula                    | C44H62N11O10                                                                                            |
| Application Dilute         | Soluble in water.                                                                                       |
