| Host                       | Rabbit                                                                                                                                                                                              |
| Category                   | Antikörper                                                                                                                                                                                          |
| Application                | ELISA, WB                                                                                                                                                                                           |
| Species Reactivity         | Mouse                                                                                                                                                                                               |
| Immunogen                  | E.coli-derived Recombinant Murine IL-1beta (PeptoTech catalog 211-11B)                                                                                                                              |
| Conjugation                | Biotin                                                                                                                                                                                              |
| Product Description        | Produced from sera of rabbits pre-immunized with highly pure (>98%) recombinant mIL-1beta. Anti-Murine IL-1beta specific antibody was purified by affinity chromatography and then biotinylated.... |
| Clonality                  | Polyclonal                                                                                                                                                                                          |
| Molecular Weight           | 17.5 kDa                                                                                                                                                                                            |
| NCBI                       | <a href="#">16176</a>                                                                                                                                                                               |
| UniProt                    | <a href="#">P10749</a>                                                                                                                                                                              |
