## Product Datasheet

### Recombinant Troponin T, E. Coli, BL21 DE3 strainBacteria0,5 mg YBT-FRCTNTH-84-0.5MG

|                            |                                                                                            |
|----------------------------|--------------------------------------------------------------------------------------------|
| Article Name               | Recombinant Troponin T, E. Coli, BL21 DE3 strainBacteria0,5 mg                             |
| Biozol Catalog Number      | YBT-FRCTNTH-84-0.5MG                                                                       |
| Supplier Catalog Number    | FrcTnTH-84                                                                                 |
| Alternative Catalog Number | YBT-FRCTNTH-84                                                                             |
| Manufacturer               | Yashraj Biotechnology                                                                      |
| Host                       | E. Coli, BL21 DE3 strainBacteria                                                           |
| Category                   | Proteine/Peptide                                                                           |
| Product Description        | CARDIAC MARKERS...                                                                         |
| Concentration              | >0.1mg/ml by CLIA                                                                          |
| Molecular Weight           | Approx. 40kD (Theoretical MW is 36.4 KD)                                                   |
| Buffer                     | 20 mM Tris-HCl, 500 mM NaCl, 1 mM EDTA, 0.05% NaN <sub>3</sub> , 10% Glycerol, pH-7.4 0.2. |
| Purity                     | 95% Major Band approx. 40kD (Theoretical MW is 36.4 KD)                                    |
| Application Dilute         | Varies with Conc. between 10000 to 500000                                                  |
